

Planes, Trains & Automobiles...

Megan Stumpf/Bluhm Wedding

Wisconsin

**Amtrak Southwest
Chief**

Our Adventure....

- From May 19 to May 24 Ruby May joined me on an adventure to Wisconsin to attend the Wedding of Megan Stumpf to Joshua Bluhm. It was her first Airplane and Train trip.
- A 12 Hour delay in Dallas set the tone for the trip.
- We had to go to Fort Meyers Florida to get to Milwaukee Wisconsin and the Wedding, sure it makes sense?????
- However, we missed the wedding by that much...

- Did have a lovely meeting with the Bride ^ Groom and the family.

Return Home Trip...

- This made up for the first half. It has been over 70 years since I travelled the Amtrak Chief but it is still all the same and just as wonderful to travel.
- Made it back to LA in two and a half days very relaxing.
