

Happy Birth Anniversary.....

*On this day in 1920 **Grace-Colombo-Miller** was born. Grace is my mother-in-law and also the mother of Katherine my soulmate and wife. We are blessed occasionally in our lives with knowing a special soul who gives you a gift beyond measure. Thank you for that Grace! I am who I am because of you in so many ways. Thank you for saying yes when I asked for your daughters hand in marriage, I am thankful for the rest of her that came along with the agreement.*

Grace is a Soul Mentor to the hundreds of others she shared her gifts with.

Honor her life today with a wink and a Prayer. If you feel a slight pinch on your bottom that's Grace saying "Ilove You"!
