

# *SIGNS of* Katherine Margaret Miller- Blackburn

PhotoRoom®

This beautiful Logo was designed and made by Sydney for Her Grandmother. You Can see and feel the love that went into it.

This is an original art creation by Katherine. She would teach each of the grandchildren how to draw her “famous” cat.

Her chair may be empty but her memories linger on. An Afagan from Cathy, Pokey Puppy a pillow from her BFF's and one from Syd. I do enjoy sitting with her in the evening.
